SUMMARY

Operations and reporting professional with 3+ years of hands-on banking experience — cash handling, transaction processing, and customer service at PT Bank Victoria International, Tbk — combined with a growing skill set in data analysis (SQL, Python, Tableau) through an ongoing Data Science program. Academic foundation built on rigor: Cum Laude Agribusiness degree (GPA 3.91/4.00) and a national scholarship (BIDIKMISI). Comfortable leading teams, coordinating cross-functionally, and communicating with international stakeholders in English (B2). Currently applying data analysis skills to operational and financial reporting problems.

SKILLS

Tools & Software:

SQL; Python (pandas, numpy, matplotlib, sklearn, seaborn); Excel; Google Sheets; Tableau; Google Data Studio; C; Pascal
